WORK EXPERIENCE

Christian Grace School of Cavite **June, 2022 - January, 2023**
I.T. Support Intern *Cavite, Philippines*

- As I.T. Support, I mainly fix and build computers to be used by teachers during hybrid and online classes. I also keep inventory of equipment and items via Google Sheets which is only shared with my employer.
- Participate in school events to handle equipment such as cameras, audio/video, and devices used during events.
- Help fix and build multiple desktop computers that were out of order for months, and while doing so identified broken/unusable components to be recycled.
- Started tracking of inventory and status of equipment and items.

EDUCATION

Polytechnic University of the Philippines - Taguig Branch **Expected October, 2026**
Bachelor of Science in Information Technology *Taguig, Metro Manila, Philippines*

- Currently graduating and on track to receive the academic honor of "Magna Cum Laude" or possibly "Summa Cum Laude".
- Awarded President's List honors every semester from 2022–Present for maintaining a cumulative GPA of 1.26.
- A member of PUP Taguig - Computer Science for 4 years and counting with 2 years of leadership experience as Academics Apprentice and Academic Head of Computer Society.
- Player for Table Tennis under the organization PUP Taguig - Computer Society, winning multiple in-organization and branch wide tournaments.

Sector East Training Solutions Inc. TAIYO **May, 2022**
